

1SB-502

AKA: *71S/S*

Pick-up Points:

- MM is slightly less CW rotated than the 1SB-501.
- Two parallel die gouges above the 1 in the date, the lower of which lies to the right of the bottom of the second T in TRUST. (this is a key PUP)
- Thin die scratch from the tip of left serif of the 7 in the date, running southeast to northwest
- Thin die scratches right and left of the 9 in the data, running southeast to northwest
- Thin die scratch from the tip of the left serif of the W in WE, running southeast to northwest
- Very small spread DDO, in the IGWT and the lower right serif of the R in LIBERTY (likely not easily seen beyond EDS)
