

# 2SB-301

AKA: *TDO*

## Pick-up Points:

### Obverse Markers

- Sharp TDO - tripling best seen in IGWT and Date (note: the tripling pattern is same as found in the 2SP-301 FS-101, and is from an up-line hub source)
- Split "pseudo-serif R in LIBERTY
- Die gouges at the back of Ike's head
- Small paired die gouges just west the MM
- Die gouge NE of the L in LIBERTY
- Faint transverse linear die scratch through the upper loop of the R in LIBERTY

### Reverse Markers

- Die crack across A of STATES
- DDR : up-line hub DDR
