

2SB-405

AKA: *UDU*

Pick-up Points:

Obverse markers

- Hallmark UDU clash
- Small residual crater head clash near hair line on Ike's forehead
 - No other obverse clash marks (talon head, hair lip, volunteer)
- Die scratch in front of Ike's nose
- Minor spread DDO seen in motto

Reverse markers

- None - no significant clash marks, scratches, gouges, or cracks
- Example examined was of a die state that no longer a Shadow Ike, and lost its extra lunar lines
